Subject: Rosemont Site Visit

Good morning Dr. Leidy –

It's a pleasure to meet you. Thank you very much for your time. I represent the Tohono O'odham Nation, Hopi Tribe, and Pascua Yaqui Tribe (collectively Tribes) in their government-to-government consultation with the U.S. Army Corps of Engineers regarding the Clean Water Act 404 Permit for the proposed Rosemont mine. As you may know, the Tribes invited Mr. Stoker to attend a site visit with General Helmlinger as part of the consultation process. Unfortunately, Mr. Stoker will be unable to attend, but he offered the assistance of Region IX's Water Division. I understand that you are available on September 20th to visit the site. Is there any chance you have time today or tomorrow to discuss a potential site visit on September 20th?

Thanks
Stu
